Continuation of 3. NOTE: The newly added limitation of the organic layer being made of N,N'-bis[4'-(n,N'-diphenylamino)-4-biphenyl]-N,N'-diphenylbenzidine raises new issues that will require further consideration and/or search..

Continuation of 11. does NOT place the application in condition for allowance because: Applicant's argument are directed to the newly presented feature of the organic layer being made of N,N'-bis[4'-(n,N'-diphenylamino)-4-biphenyl]-N,N'-diphenylbenzidine which raises new issues that will require further consideration and/or search.
